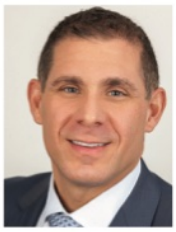
THE NATIONAL
LAW JOURNAL
BEST OF
2018
THE RESULTS ARE IN. THE ATTORNEYS HAVE VOTED!
Custom Publishing Supplement to The National Law Journal

PUBLISHER NOTE/ADVERTISER INDEX



Dear Readers,

Welcome to the results of our seventh annual *National Law Journal* readers' poll, wherein our readers have cast their votes for the best providers of services and goods to the legal profession.

This product was developed out of a desire to help our readers identify the finest legal products and service providers and to package their choices all in one reference.

We crafted a ballot with several dozen categories for you to cast your *Best Of* votes on a number of areas critical to practicing law and managing your personal and professional life. From data technology products and banking services to real estate brokers, *National Law Journal's Best Of* showcases the businesses that stand out among their competitors in providing you with the essentials you require to compete in today's legal market. In all, roughly 7500 votes were cast between October 2nd and November 17th.

This year's *Best Of* offerings are just a starting place. If you see a category we missed or a vendor we should include next year, please send us your thoughts about how we can improve. We adjust our product each year to meet the needs of our readers based on your feedback.

Again, thanks for sharing your voice and your votes. Because of your tremendous support, *The National Law Journal's Best Of* has become a permanent, must-have resource for legal professionals.

Warm Regards,

Richard Caruso
Vice President/Legal Segment
