

# November 2021 – Donna and Sean Roberts

*Congratulations to Donna and Sean Roberts, our November Volunteers of the Month! Donna and Sean have made a huge impact on our Atlanta Track Club community over the past few years. This mother/son duo loves giving back and helping in any way they can. Volunteering at events is natural to them because they like to experience the joy of the runner's right along with them. Keep an eye out for Donna and Sean! If you see them, please extend a heartfelt thank you for all they do for the community!*

**How long have you been volunteering with Atlanta Track Club? Do you remember your first time volunteering with Atlanta Track Club? What is your favorite Atlanta Track Club event? What is one of your best memories from volunteering at any race?**

I'm not sure when Sean and I started volunteering, but our first event was the Publix Atlanta Marathon. We were at the finish line and handed out chocolate milk and food boxes. We both so enjoyed congratulating all the finishers and experiencing their joy right along with them. We were hooked. We both enjoy volunteering for this race and handing out chocolate milk (Sean calls this race the "Chocolate Milk Race"). This is one of the few that I do not run so we can hand out chocolate milk.

**What is your favorite thing about volunteering with Atlanta Track Club?**

Sean and I love being involved and helping in any way he can.

**Do you do any volunteering in the community beyond Atlanta Track Club?**

Sean enjoys volunteering whenever he can - at church, at coop, at his day program and ATC. I have been volunteering at church, the kids schools, Super Bowls, Peach Bowls, Kick off games, Golf Tournaments. I enjoy sports and people so volunteering at events is a natural.

### **What do you do for a living?**

Sean attends a day program at his old school, Special Needs Schools of Gwinnett, called Young Adults Living and Learning (YALLS). I am an accounting Coordinator for the Presbyterian Church in America Foundation. I am also an usher for the Gwinnett Stripers, the triple A affiliate of the Atlanta Braves.

### **Tell us something interesting about yourself - an interesting fact or story that will help us get to know you.**

Sean and I enjoy staying active. We both do Cross Fit, Hiking, whatever we can. I also enjoy running now but I'm a past soccer player, triathlete, volleyball player....I like trying new things. Sean's favorite sports are Bowling and Bocce. He plays in Special Olympics leagues.
