MEET INFORMATION & PROCEDURES

EVENT PARKING

Atlanta Track Club is offering onsite parking at Sam Smith Park for \$10 CASH per vehicle. There is no additional admission fee. **Coaches may show their school ID to waive the parking fee.** Bus parking will be free and located offsite at Cartersville Middle School following athlete drop off. Please plan to arrive at least 90 minutes prior to your first race to allow your team plenty of time to park and enter the race venue. See parking map for additional details.

ARRIVAL

Loading & Unloading

Upon arrival, buses will proceed to the athlete loading and unloading zone located adjacent to the course. All athletes and supplies should be unloaded and taken to the festival area. Buses will proceed off-site using the gravel road to Cartersville Middle School to park. Parents bringing supplies may use the short-term unloading area, located just before the bus unloading area. Cars may not stay parked in this area. Once all items are unloaded, parents must park and return to their equipment. Cars shall not be left unattended in this area. Upon the completion of the events, coaches should call their bus to the same loading and unloading zone. Buses will be directed through the main entrance and meet teams at the zone for prompt loading and exit of the meet.

Coaches' Packets

Prior to entering the team/festival area coaches should report to the coaches' packet tent located adjacent to the aquatic center.

Team Tents

Tents may be set up anywhere along the course or in the festival area with exception of the area immediately in front of the stage. Tents may be set up Friday evening or Saturday morning prior to the event, we ask that all tents be staked or weighted.

Warm Ups

The course will be open until 15 minutes prior to the first race each day. During competition, athletes are encouraged to warm up on the infield of the course or on the paved path surrounding the park.

Athlete Check In

Teams must check in at the start tent adjacent to the start line at least 15 minutes prior to their race. All athletes running in that particular race must be present at check in for instructions and inspection. Teams will not check in at their starting box.

MEET INFORMATION & PROCEDURES CONTINUED

TIMING & REGISTRATION

Bibs

Each athlete will receive a bib with two timing chips attached to the back. Do not bend or fold the bib. The bib must be clearly displayed on the front of the athlete's uniform. If an athlete runs without a bib, they will not be scored or receive an official time. Bibs are specifically assigned to Varsity, Junior Varsity or youth. If you run with a Varsity bib in a Junior Varsity race you will not get a time. Please see the athlete changes section below for more information.

Athlete Changes

New athletes cannot be added on race day. Athletes may only swap divisions with an existing runner. In this packet, you will find a change form. This change form must be submitted no later than one hour prior to the start of that race. If you run an athlete who was assigned to a Junior Varsity race in the Varsity race without submitting a change form, they WILL NOT be timed.

Mile Splits

There will be timing splits at the one mile and two mile marks. The split times will be broadcast live in the festival area and available online. Track your teams in real time as the race progresses and receive splits for each athlete in the final results.

Scan the QR code for live results,
or visit atlantatrackclub.org

OFFICIATING, PROTESTS, & RESULTS

Protests

All formal protests and results inquiries will be handled by the meet referee and timing team at the timing tent located near the finish line. Protest forms will be available at the timing tent to complete for review by the meet referee and if needed, the jury of appeals. Results will be made official 30 minutes after that race was completed. All protests must be filed within 30 minutes of the end of that race. Results will be posted at the awards tent in the festival area.

Results & Inquiries

All results will be verified by chip time and photo finish. Preliminary results will be posted online at atlantatrackclub.org. If you have an athlete missing in results, please visit the timing trailer located near the finish line with the athletes name, bib number, race name and approximate finish time.

Our timing team will review and make best efforts to locate them within the results. Atlanta Track Club will make best efforts to include all results inquiries made after the 30 minutes, but awards will not be adjusted after results are made final. Live results will be posted on atlantatrackclub.org

Inclement Weather

Atlanta Track Club events are held rain or shine. However, the threat of lightning or other severe weather including heat may result in a delay, cancellation, or other adjustment. Atlanta Track Club may make adjustments to the race schedule or course as directed by the Medical Director to ensure the safety of all participants.
