

# March 2020 - David Henry

*Congratulations to our March Volunteer of the Month, David Henry! David has been volunteering with Atlanta Track Club for the past three years. He has become a regular at weekday projects in the office, at All Comers Track & Fields Meets, Midweek Runs as well as setup for our major events. Following his retirement from the United States Air Force, he appreciates the opportunity to interact with other volunteers and continuing his passion for working with youth athletes.*

**Do you remember your first time volunteering with Atlanta Track Club? What brings you back?**

My first-time volunteering with ATC was the Peachtree Junior Road Race. What brought me back is my passion for working with kids and seeing the smiles on their faces.

**Do you have a favorite Atlanta Track Club event?**

My favorite event to volunteer for is the Peachtree Junior. Outside of that, I enjoy the All Comers Track & Field Meets because they give me the opportunity compete in track & field events along with others that share my love of the sport.

**What is your favorite thing about volunteering with Atlanta Track Club? What brings you back?**

My favorite thing about volunteering with Atlanta Track Club is meeting other volunteers and establishing new friendships. What brings me back is the opportunity to interact with other volunteers.

**What is your best memory from volunteering with Atlanta Track Club?**

My best memory from volunteering is when I got the chance to meet one of my all-time favorite track athletes, Gail Devers at Peachtree Junior.

**Do you have a favorite volunteer assignment?**

My favorite volunteer assignment is the weekday projects at Atlanta Track Club's office. I admire the staff's friendliness and professionalism.

**Do you do any volunteering in the community beyond Atlanta Track Club?**

I volunteer with Drawchange, a program that contributes to the education of the world's poorest and most vulnerable children by bringing art into their daily lives.

I volunteer with Run Social Atlanta because it's another organization that provides me an opportunity to interact with other runners/walkers that run/walk for a healthier lifestyle, as well as the love of the sport!

**What do you do for a living?**

I am a United States Air Force Veteran and currently coach high school track & field athletes.

**Do you have any words of advice or wisdom for any new Atlanta Track Club volunteers?**

My advice would be to take pride in what you do as a volunteer because your work does not go unnoticed. There are many that truly appreciate what you do, including Atlanta Track Club staff and participants.
