Divorcing a Narcissist.
How does a narcissist handle divorce.

Divorcing a narcissist starts with courage. It is the most powerful tool you have to defeat the narcissist.

Narcissists come in both genders.

Narcissists are often self-absorbed, control freaks. They only see their own perspective and have love for no one but themselves.

The Physical Abuser's Playbook

- Keep you in perpetual fear.
- Make you believe there is no escape.
- Tell you nobody will believe you.
- Make you believe it is your fault.

Truth About Your Options

- Law enforcement involvement.
- Domestic violence restraining order.
- Residency exclusion orders.
- Sole legal and sole physical custody of children.
- Attorney's fees orders against the narcissist.

The Emotional Abuser's Playbook

- Keep you emotionally unbalanced.
- Make you believe you cannot do anything right.
- Attempt to turn the children against you.
- Threaten to take the children away from you.

Truth About Your Options

- A therapist can teach you about the tools to move forward.
- Experienced family law representation will protect you and the children.

Attorney's fees and costs orders against the narcissist...

- Orders that may be based on (a) your need and/or (b) punishment for the narcissist's misconduct
