

CONSENT FOR PULSED LIGHT/LASER TREATMENTS

I authorize _____, of In HIS Image Day Spa , to perform laser/pulsed light cosmetic dermatology treatments on me, including but not limited to photo-facials, fractional (laser wrinkle reduction), hair removal, treatment of pigmented lesions, vascular lesions, acne, and/or tattoo removal.

I understand that the procedure is purely elective, that the results may vary with each individual, and multiple treatments may be necessary.

I understand that:

- Serious complications are rare but possible.
- Common side effects include temporary redness and mild "sunburn" like effects that may last a few hours to 3 - 4 days longer.
- Pigment changes, including hypo-pigmentation (lightening of skin) or hyper -pigmentation (darkening of skin) lasting 1 - 6 months or longer may occur.
- Freckles may temporarily or permanently disappear in treated areas.
- Other potential risks include crusting, itching, pain, bruising, burns, infection, scabbing, scarring, swelling, and failure to achieve the desired result.
- Lasers/intense pulse light can cause eye injury and protective eyewear must be worn during the treatment.
- I understand that sun or tanning lamp exposure and not adhering to the post-care instructions provided to me may increase my chances of complication.

I consent to photographs being taken to evaluate treatment effectiveness, for medical education, training, professional publications or sales purposes. No photographs revealing my identity will be used without my written consent. If my identity is not revealed, these photographs may be used and displayed publicly without my permission.

Before and after treatment instructions have been discussed with me. The procedure as well as potential benefits and risks have been explained to my satisfaction. I have had all my questions answered. I freely consent to the proposed treatment.
