

TITANIUM GLAM TRIPLE DROP EARRINGS

jacobandco.com

Placing a modern spin on the sophisticated glamour and timeless romance long-associated with Hollywood style, Jacob & Co.'s Titanium Glam Collection offers large statement pieces designed to reflect the lights and encapsulate the splendor of the red carpet.

The Titanium Glam Collection features a selection of super light-weight and flexible earrings, as well as a matching ring. Bold in design, and comfortable to wear, the titanium frame of the earrings is studded with stones and gold plated at the back in a semi-hollow design, depicting a beautiful array of colors. The similarly crafted ring sits high on the finger with pavé rubies and diamonds covering the swirling form.
