STONEMOR PARTNERS L.P. ANNOUNCES GARRY P. HERDLER AS CHIEF FINANCIAL OFFICER

TREVOSE, PA – April 15, 2019 – StoneMor Partners L.P. (NYSE: STON) (“StoneMor” or the “Partnership”), a leading owner and operator of cemeteries and funeral homes, is pleased to announce that Garry P. Herdler has been appointed Senior Vice-President and Chief Financial Officer, effective April 15, 2019. Mr. Herdler will succeed Mark Miller, who is retiring from the Partnership.

Mr. Herdler joins StoneMor with more than 25 years combined experience as CFO, private equity management consultant, investment banker, and as a KPMG CPA/CA and tax advisor. He has been a CFO of six private equity owned firms, a global real estate firm, and a NYSE-listed firm. He has a broad background as CFO in many situations and sectors, including multi-channel retail, consumer and health services, homebuilding, real estate, manufacturing, and media. Most recently, Mr. Herdler was the Chief Financial Officer of QuadReal Property Group, a real estate investment, development and management company headquartered in Vancouver, Canada, where he led the financial integration of four firms with a C\$27 billion portfolio across 17 countries. Prior to his CFO role at QuadReal, Mr. Herdler was a Senior Director in the Private Equity Performance Improvement Group of Alvarez & Marsal Consultants in New York. Previously, Mr. Herdler acted as a financial consultant and CFO for various private equity-owned companies, responsible for operational improvements, business integration and turnarounds. He also has nearly ten years of investment banking experience in leveraged finance and equities with Deutsche Bank Securities/Bankers Trust and CIBC World Markets, primarily in New York, where he completed transactions in several industries, including deathcare.

“Our company is very fortunate to have someone of Garry’s caliber and operational experience join our team,” said Joe Redling, StoneMor’s President and Chief Executive Officer. “We look forward to utilizing his broad experience assisting companies through periods of high change, operational improvement, integration and turnaround. His experience in leveraged debt capital markets and equities, as well as his previous deathcare experience with the \$850 million credit facility and notes offering to refinance Stewart Enterprises, will be especially valuable as we navigate the refinancing of our own credit facility,” added Redling. “We are also grateful to outgoing CFO, Mark Miller, for his efforts during his time at StoneMor, and we wish him all the best in his retirement,” said Redling.

“I am looking forward to partner with Joe, the StoneMor team, and the Board to achieve the Partnership’s objectives,” said Mr. Herdler. “Our goal is to focus on cash flow, capital structure, strategic balance sheet/portfolio review, and performance improvements from cost reduction and revenue enhancements. Most importantly, I respect

the sensitive and important nature of the care StoneMor provides, and ultimately this is also about improving the services we bring to the families and people that we serve.”

“I’m very pleased with the management team we now have in place,” Redling said. “In combination with the recent actions we’ve taken to drive efficiencies and improve profitability, I’m confident that we are putting in place the necessary foundation to better position StoneMor for future opportunities.”
