

We are fully committed to safeguarding the health of the families we serve, our guests and our employees.

As such, we are making it known to all families and guests that outside gatherings will be **limited in attendance to no more than 50 persons** and indoor gatherings be **limited to no more than 10 persons at a time.**

We request that everyone attending a visitation, service and/or burial wear an appropriate face covering at all times while inside our building and/or at the graveside. We can provide you with a mask if you do not have one.

Additionally, we request that all visitors practice the “new normal” aspects of social distancing, including maintaining distance between all persons as appropriate and the frequent use of hand sanitizer or hand washing.

Lastly, for the safety for yourself and others, we ask that you refrain from attending any service or burial ceremony if you are or have been in contact with anyone diagnosed with or exhibiting symptoms of COVID-19.

Thank you for your continued cooperation during this unprecedented time.
