Joseph Bailey, General Manager
Texas Renaissance Festival
27718 FM 1774
Todd Mission, TX 77363

Dear Mr. Bailey,

I am writing to express my support for the Texas Renaissance Festival's opening for the 2020 season as they have demonstrated their preparedness for the 46th season of the festival based on the current conditions with their proposed COVID-19 Response plan.

TRF has aligned their plan with State / Federal Guidelines, Protocols that will be implemented by their staff, vendors, and performers prior to and throughout the 2020 festival season. Although fluid, the proposed plan covers the following topics thoroughly with the safety of all staff, vendors, performers, and patrons at the forefront of the actions that will be taken. Those include:

- Decontamination/Sanitation
- Promoting Good Hygiene
- Facial Coverings
- Health Screening of employees
- Social Distancing
- Communications
- Quality Assurance Strike Team for Oversight
- People Counter Devices Installed at Entrance and Exit Gates

I commend the Texas Renaissance Festival management team for their regular and clear communications not only with my office, but with local government, and emergency and health agencies. I am looking forward to a successful season of the Festival as an integral part of the Grimes County community.

Sincerely,
