You are responsible for determining whether the installation of the Equipment affects your existing insurance coverage, as well as making any necessary additions or corrections to your insurance policy and for the consequences of failing to make such additions or corrections, if any were needed. You will maintain in good working order the ancillary piping, venting, wiring or ducting owned by you or otherwise on the Premises but that are not included within the Equipment. The Equipment remains our property, is not intended to become a fixture and you will not tamper with any plate(s), tag(s) or sticker(s) identifying the Equipment as leased Equipment owned by us unless and until you exercise your right to purchase the Equipment as provided in this Agreement. If you sell, lease or otherwise transfer the Premises you will, in addition to your obligations in Section 6 (Sale of your Home), advise us in advance and advise the transferee and any potential purchasers that the Equipment is leased pursuant to this Agreement. YOU WILL ONLY BE THE OWNER UPON THE PURCHASE OF THE EQUIPMENT PER SECTION 17. WE MAY REMOVE THE EQUIPMENT AT THE EXPIRATION OF THIS AGREEMENT OR UPON YOUR DEFAULT. During the time that this Agreement is in force, the Equipment remains the property of Service Experts or its assignee and although it may be affixed to the Premise, is not intended to become a fixture. You agree to assist in protecting our ownership interest by signing and providing any further documents we may reasonably require and you acknowledge that we may register notices of security or ownership, such as appropriate liens, including on title to the Premises. See Section 18 for further information regarding any security interest. You agree to keep the Equipment free of all liens, security interest, mortgages and other claims. You understand and agree that we may require a background and credit check in connection with this Agreement and, by signing this Agreement, you consent to and approve our solicitation of such information and our use of the same to make a determination as to certain terms required in this Agreement or to refuse to enter into or terminate this Agreement prior to the installation of the Equipment. In the event that Service Experts decides to take any action to terminate or refuse to enter into the Agreement, you would be provided with any and all required notices. You agree that if more than one customer is named on the account, each of you is individually liable, and all of you are collectively liable, for all obligations imposed on you by this Agreement.

6. Sale of Your Home. If you are the Owner and you sell or otherwise transfer the Premises, you are required to inform the buyer or transferee, at or before the effective date of the sale or transfer, of the existence of this Agreement and the leased Equipment installed in the Premises. In the event the sale of the Premises requires the preparation of a residential property condition disclosure or similar document, you agree you will disclose this Agreement in that disclosure. We will permit the purchaser or transferee to assume your rights and obligations under this Agreement, effective from the date of sale or transfer; provided that: (a) you or your representative notify the transferee in the sale or transfer agreement that the Equipment is leased and is subject to this Agreement; (b) you or your representative advise us in advance of the transferee's name and the intended date of sale or transfer; (c) you or your representative advise us in advance of the address and telephone number where you can be contacted after the date of sale or transfer; (d) the transferee agrees in writing or by conduct to assume your obligations; and (e) you have paid us all amounts owing under this Agreement. Unless and until these conditions are satisfied, or unless Service Experts otherwise waives any or all of these conditions, which we are under no obligation to do, both you and/or the customer(s) as applicable, will remain responsible for the Equipment lease and your obligations under this Agreement, including making all lease payments. You hereby authorize us to respond to information requests relating to your account made by or on behalf of the transferee. We may also accept performance of your obligations (including payment obligations) from other parties (such as tenants) but will not be required to do so.

7. Limited Warranty. This is a lease Agreement and not a sales contract and we make no representations or warranties as to the Equipment or its performance. As between you and Service Experts, the Equipment is "As-is". **WE HEREBY EXPRESSLY DISCLAIM ANY AND ALL WARRANTIES, EXPRESS AND IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.** However, we do warrant that the services performed by us as to the Equipment under this Agreement will be free from material defects. The duration of such warranty shall continue as long as this Agreement remains in effect, but no less than thirty (30) days from the date of performance. In the event any of our services fail to conform to this warranty we will repair or replace the defective service at our expense. We will also assign or provide coverage of the Equipment manufacturer's warranty. We make no representations or warranties as to the performance of the Equipment except for those which are given by statute and which you cannot waive. We are not the manufacturer of the Equipment and we are not making any warranty or guarantee on behalf of the supplier, or the manufacturer of the Equipment, including whether the Equipment is suitable for you, except as provided above. Subject to you carrying-out your obligations under this Agreement (including those under "Customer Obligations") and subject to the limitations set out under "Liability", we hereby warrant that if the Equipment is a water heater, it will work and provide hot water, and will not leak or rupture, for the term of this Agreement, reasonable wear and tear excepted. If we are unable to perform any of our obligations under this Agreement because of circumstances or events beyond our control, we shall be excused from the performance of such obligations for the duration of such circumstances or events and we shall not be liable to you for such failure to perform. During the term of this Agreement, you are responsible for any loss or damage to the Equipment from any cause, whether or not insured, until all of your obligations under this Agreement have been fulfilled.

8. Limited Liability. You understand and agree that (i) we will not be liable for any loss, damage, expenses, or injury of any type (including without limitation as a result of water leakage or any electrical or natural gas related events) arising out of or related to this Agreement or otherwise caused or contributed to in any way by the supply, installation, use and/or operation of the Equipment; (ii) except in the event of injury to person(s), **WE WILL NOT BE RESPONSIBLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, EVEN IF REASONABLY FORESEEABLE AND IF CAUSED BY US;** and (iii) if we are unable to perform any of our commitments under this Agreement because of circumstances or events beyond our control, we shall be excused from their performance until such time as we shall be able to perform and we shall not be liable for any such failure to perform or delay in performance.

9. Indemnification. You will indemnify and hold us harmless from and all its claims, losses, expenses, and costs that we may suffer or pay or may be required to pay, including legal expenses, in connection with or arising from this Agreement or the supply, installation, use and/or operation of the Equipment, including any claims for any injury or death to individuals or damages to the Premises or other property, regardless of the cause, to the fullest extent permitted by law. This obligation survives the termination of this Agreement for any reason.

10. Termination and Default. You may not terminate this Agreement before the end of the Original Term or Extension Month (as applicable), except as provided in Section 17, below. This Agreement may be terminated by us at any time in the event of a Default (as defined below) by you. Upon termination of this Agreement, (i) we may enter upon the Premises for the purposes of repossessing and removing the Equipment, and we will charge a \$500.00 removal fee if this Agreement is terminated during the Original Term; and (ii) all amounts owing hereunder are immediately due and payable and you will be deemed to be exercising your termination option as provided in Section 17 of this Agreement. When you no longer lease the Equipment, you will not be obligated to pay for the lease and we will not be obligated to supply replacement Equipment (including a water heater or water treatment product), unless we mutually agree at the time pursuant to a new agreement. Each of the following will be an event of default by you ("Default"). If any bankruptcy, insolvency or receivership proceedings are commenced with respect to you; and/or if you breach any provision of or fail to perform any of your obligations under this Agreement, including but not limited to any failure to pay any amount when due or otherwise care for or maintain the Equipment. At any time while there is a Default, we may terminate this Agreement and/or pursue any other remedies we may have at law. In the event the Equipment is equipped with a device that allows us to access it remotely, either now or in the future, you agree that we may use that remote access to enforce our rights under this Agreement including, but not limited to, remotely disabling the Equipment.

11. Assignments. We may transfer, assign, encumber or otherwise dispose of all or any part of our interest in this Agreement and/or the Equipment to another party at any time without notice to you and without your permission. To the extent permitted by law, you will not assert against any transferee any claims, defenses, set-offs, deductions or counter-claims which you may now or in the future be entitled to assert against us. Except as otherwise provided in this Agreement, you may not transfer, assign or encumber all or part of your interest in this Agreement or the Equipment without our prior written consent (see Section 6 "Sale of your Home").

12. Invalidity of Provision/Severability. If any provision of this Agreement or the application thereof to any person or circumstance is held to be invalid or unenforceable, such provision shall be severed and the remainder of this Agreement shall continue to remain in full force and effect subject to such modifications as may be necessary to carry out the provision sand intent of this Agreement.

13. Governing Law. This Agreement shall be governed by the laws of the state where the property on which the Equipment is installed (without giving effect to internal principles of conflict of laws).

14. Entire Agreement and Amendments. You understand that this Agreement, together with any attachments, exhibits, and/or addendums, is the entire agreement between you and us and supersedes all prior agreements, understandings or discussions, whether oral or written and there are no warranties, representations or other agreement except as specifically set out in this Agreement. This Agreement may be amended from time to time by us by notice in bill inserts, by letter or by any method permitted by law. Should there be any discrepancy between this Agreement and any prior, current, subsequent, and/or additional terms and conditions regarding this or similar programs, whether or not online, in additional documentation or otherwise, the terms and conditions of this Agreement shall prevail.

15. Notices. All notices and other communications required or permitted under this Agreement shall be properly given by the sending party when made in writing and: (i) delivered by a reputable courier service requiring signature for receipt; (ii) mailed by certified or registered first-class mail, postage, prepaid, with a return receipt requested; (iii) sent by fax as evidenced by a printed confirmation from the sending party's fax machine; or (iv) emailed, in each case to our address on the first page of this Agreement or to Service Experts, 3820 American Drive, Suite 200, Plano, Texas 75075 Attn: Advantage Program or other such address notified by the other party in writing from time to time. The parties agree that any faxes or emailed document shall be deemed an original document, however all notices of arbitration must be sent according to (i) or (ii) in the preceding sentence.

16. Mandatory Arbitration of Disputes. Any dispute, disagreement or claim between you and Service Experts arising out of or in connection with this Agreement, or the Equipment, which cannot be amicably resolved by the parties shall be submitted to final and binding arbitration in a location that is a convenient distance from the Premises for you, in accordance with the Consumer Arbitration Rules of the American Arbitration Association (the "AAA Consumer Rules"), administered by the American Arbitration Association except as otherwise provided in this Section. This agreement to arbitrate is governed by the Federal Arbitration Act. While a dispute, disagreement or claim is being resolved under this Section, both parties shall continue to perform their obligations under this Agreement. **YOU AND SERVICE EXPERTS AGREE THAT BY ENTERING INTO THIS AGREEMENT, YOU AND SERVICE EXPERTS ARE WAIVING THE RIGHT TO SUE IN COURT AND WAIVING THE RIGHT TO A JURY TRIAL. IN ADDITION, EACH PARTY MAY BRING CLAIMS AGAINST THE OTHER PARTY IN ITS INDIVIDUAL CAPACITY ONLY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING. OTHER RIGHTS THAT YOU OR SERVICE EXPERTS COULD HAVE IN COURT MAY ALSO NOT BE AVAILABLE IN ARBITRATION.** The parties agree that the award of the arbitration (the "Arbitration Award"): (i) shall be conclusive, final and binding upon the parties; and (ii) shall be the sole and exclusive remedy between the parties regarding any and all claims and counterclaims presented to the arbitrator. The judgment on the Arbitration Award shall be based exclusively on the provisions of this Agreement. In addition, in the case of any conflict between the provisions of the AAA Consumer Rules and the provisions of this Agreement, the provisions of this Agreement shall govern. Prior to filing a demand for arbitration, a party must first give the other party at least fifteen (15) days' prior written notice of its intent to file the demand. All notices to be given in connection with the arbitration shall be as provided in Section 15(i) or (ii). Demand for arbitration must be filed within one (1) year after the event giving rise to the arbitration demand. If the complaining party fails to file the demand for arbitration within that time, the claims shall be deemed to be waived and shall be barred from either arbitration or litigation. If you provide a reasonable explanation why your claim is not frivolous and why you cannot afford to pay the arbitration filing fee in your written notice, we will pay the filing fee for you. The Arbitration Award shall be made and shall be payable free of any tax or any other deduction. The Arbitration Award shall include interest, at a rate determined as appropriate by the arbitrator, as of the date of the breach or other violation of this Agreement to the date of the Arbitration Award. In the event you are the prevailing party in any such arbitration, and the amount you are awarded is greater than any demand you submitted at least fifteen days prior to filing the demand for arbitration, you shall be awarded your costs of the arbitration, including reasonable attorneys' fees and court costs, in addition to the Arbitration Award. In the event of any breach by a party of this Agreement which would cause any non-breaching party to be irreparably harmed or for which such non-breaching party could not be made whole by monetary damages, then in such circumstances, such non-breaching party, in addition to any other remedy to which it may be entitled at law or in equity, shall be entitled to equitable relief, including injunctive relief and specific performance, in any action instituted in a court of applicable jurisdiction.

17. Your Termination Option. You may not terminate this Agreement except as provided below. Should you wish to terminate this Agreement prior to its expiration, at any time during the Original Term or Extension Month, you will be subject to an early termination fee. This early termination fee set forth, below, is based on (among other things), the unpaid cost of the Equipment and related installation, finance, service and maintenance costs. Should you terminate this Agreement prior to the expiration of the Agreement and pay the applicable early termination fee, you may keep the Equipment.

To protect our rights to the Equipment, we may register a notice of security or ownership of the Equipment as we deem appropriate, including a notice on title to the Premises. 22. Customer Advisory. The Equipment may be equipped with flammable vapor ignition resistant ("FVIR") technology. Service Experts encourages you to read the Equipment Use & Care Manual provided to you upon or after installation of the Equipment. Certain activities such as, without limitation, painting or using solvents could cause the FVIR technology to "lockout" the Equipment causing it to no longer function until reset by a qualified service technician. Resetting the Equipment caused by FVIR "lockout" is not covered by Service Experts under this Agreement and, if applicable, you will be charged for both parts and labor at our then current rates.
