

# Demand Occupations List

WorkSource Metro Atlanta represents the collective efforts of five Local Workforce Development Boards within the 10-county metro Atlanta region. Each Board provides occupational specific skills training for industries that are stable or have projected growth.

This list serves as a guide for in-demand jobs and is not meant to be an all-inclusive list of acceptable WIOA funded occupational skills training options. There may be additional occupations in which demand occurs based on the job market or specific opportunities within the broad spectrum of occupations. This list includes occupations that show a favorable mix of projected long-term job growth, projected annual job openings, and median wages. WIOA participants seeking training in an occupation not on this Demand Occupations List may discuss the appropriateness and relevance of the proposed training with their career advisor for additional consideration (approval is at the discretion of the Local Workforce Development Board).
